Annual 47 C.F.R. § 64.2009(e) CPNI Certification
EB Docket 06-36

Annual 64.2009(e) CPNI Certification for 2013

Date filed: February 20, 2014

Name of company covered by this certification: GTC Broadband

Form 499 Filer ID: 829630

Name of signatory: Cheri M. Johnson

Title of signatory: General Manager/Corp. Secretary

I, Cheri M. Johnson, certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. See 47 C.F.R. § 64.2001 *et seq.*

Attached to this certification is an accompanying statement explaining how the company's procedures ensure that the company is in compliance with the requirements set forth in section 64.2001 *et seq.* of the Commission's rules.

The company has not taken any action against data brokers in the past year. To the best of our knowledge, no pretexters have attempted to access CPNI at our company.

The company has not received any customer complaints in the past year concerning the unauthorized release of CPNI.

The company represents and warrants that the above certification is consistent with 47. C.F.R. §1.17 which requires truthful and accurate statements to the Commission. The company also acknowledges that false statements and misrepresentations to the Commission are punishable under Title 18 of the U.S. Code and may subject it to enforcement action.

Signed Cheri M. Johnson

CPNI Compliance Accompanying Statement:

Year: 2013

GTC Broadband

This accompanying statement explains GTC Broadband's operating procedures ensure that the company is in compliance with the rules governing CPNI as found in Subpart U – Customer Proprietary Network Information – Part 64 of Title 47 of the Code of Federal Regulations.

GTC Broadband adheres to all CPNI rules as stated in section 64.2001 – 64.2011 concerning the proper use of our customer's CPNI. Specifically, our notice for use of CPNI approval process meets all requirements as listed in Section 64.2008. To further protect our customer's privacy, we have implemented all safeguards required in Section 64.2009. This includes:

- The implementation of a system by which the status of a customer's CPNI approval can be clearly established prior to the use of CPNI;
- The training of appropriate personnel as to when they are, and are not, authorized to use CPNI and the documentation of this training;
- The implementation of an express disciplinary process for CPNI violations up to and including termination;
- The maintenance of a record, for at least one year, of our own, and our affiliates' sales and marketing campaigns ;
- The establishment of a supervisory review process regarding carrier compliance with the federal CPNI rules for outbound marketing situations;
- The establishment of annual certification by a corporate officer with personal knowledge of GTC Broadband's policies and procedures to ensure compliance with the federal CPNI rules; and
- The establishment of procedures for notification of the Commission within 5 business days of any instance where opt-out mechanisms, do not work properly, to such a degree that consumers' inability to opt-out is more than an anomaly.

GTC Broadband has its CPNI Manual available on file at its business office for further detailed explanation of how its procedures ensure that it is in compliance with the rules in Subpart U of Part 64 of Title 47 of the Code of Federal Regulations.
